

## Product Description & Application

Kizzexx 10W-30 API SN /JASO MB is a synthetic bike engine oil enhanced with high quality additives for the latest generation four stroke motorcycles. This high-quality oil helps maintain a cleaner engine and improves efficiency. The low viscosity delivers instant cold starts and enhances fuel efficiency, ensuring optimal performance. It ensures very good protection, high thermal stability, and robust oxidation resistance, keeping the engine running smoothly under all conditions. It gives great wear control to safeguard the motorcycle in various atmospheric conditions and unforgiving applications, protecting the motor in cold climate are up and warm climate conditions.

## Features & Benefits

- Provides excellent overall performance.
- Enhanced frictional properties that aids fuel economy.
- Provides exceptional cleaning power for dirty engines.
- Excellent low temperature capabilities for rapid engine protection at start-up.

## Meets Or Exceeds

- API SN
- JASO MB
